Special Issue on

INFORMATION ETHICS

Special Issue Editor:

Mikael Bök

Information for Social Change is an activist organisation that examines issues of censorship, freedom and ethics amongst library and information workers. It is committed to promoting alternatives to the dominant paradigms of library and information work and publishes its own journal, *Information for Social Change* (freely available online at <http://www.libr.org/isc>). Information for Social Change is an Organisation in Liaison with the Chartered Institute of Library and Information Professionals (CILIP).
